

Partner Jason Little Appeared on Spectrum News Advocating NYS Leaders Need to Create Cannabis Control Board

August 25, 2021 | **IN THE NEWS**

Partner Jason Little appeared on Spectrum News, advocating that New York State leaders need to create a Cannabis control board sooner than later. “We need to get people to work,” Little said. “We need resources, and this is a wonderful resource. It’s sitting there, it’s teed up and we have every reason to believe that Governor Hochul will attack this and make it part of her agenda.”
